BALLSTON, VIRGINIA

Telephone, Clarendon 500

ACHILLEA (Milfoil). Pure white flowers all summer, 1 to 2 feet all.

The Pearl (Yarrow) Especially good for dry places.

ACONITUM (Monkshood)—Dark blue spikes of hood-shaped flowers, August to October.

Fisherii—Three feet tall. Price 45c each, \$4.00 per 10.

ALYSSUM (Rock Madwort)

Saxatile. Yellow flowers of easy culture. Blooms May and June, 6 inches to 1 ft. tall, good for edging in semi-shade.

ANCHUSA (Alkanet).

Italica. Brilliant blue flowers on spikes 4 to 5 ft. all summer.

Dropmore. Very good for sunny and semi-shady locations.

ANEMONE (Windflower) Valuable plants for clumping or as single specimens.

Japonica. Grows rapidly, profuse blooming from August to November.

Rubra. Beautiful rose red blooms.

Queen Charlotte. Semi-double, rose-pink flowers 2 to 3 feet.

AQUILEGIA (Columbine) Excellent cut flowers in May and June, clover-like foliage. Blooms are borne on stem 2½ to 3½ feet.

Coerulea (Rocky Mountain). Blue flowers, long spurrs.

Chrysanthea (Golden). Lemon yellow flowers, long spurrs.

Canadensis (American). Red and yellow flowers, one of the brightest.

Long-Spurred Hybrids. A mixture of the tallest hybrids, ranging from white to shades of blues and yellows and dark shades of purple.

ASTILBE (Goat's Beard). An extra hardy plant of feathery plumes of flowers and neat attractive foliage, blooms June and July, 1 to 3 feet.

America. Deep pink, excellent bloomer.

Davidi. Violet, large plumes, 5 to 6 feet.

Gladstone. Snow white, 18 inches tall.

Rubens. Rose-red.

BAPTISIA Australis (False Indigo). Dark blue pea-shaped flowers, very showy, 2 feet, May and June.

BELLIS PERENNE, Snowball. (English Daisies). Showy white flowers, 6 inches tall, April to June, good for edges and excellent cut flower.

CAMPANULA MEDIA (Canterbury Bells, Single). Bell-shaped flowers, white, pink, blue, blooms May and June, 3 feet tall.

COREOPSIS Grandiflora (Tickseed). Very hard yellow-like flowers, 2 feet tall, July till frost.

CHRYSANTHEMUM (Shasta Daisy)

Maximum Alaska. Large white daisy, 2½ feet tall, blooms through July and August.

Indicum. White blooms, some white like fall blooming kinds, blooming in July and August.

CHRYSANTHEMUM (Hardy Mum). The following varieties have been tried out in our own nursery and have been found to be absolutely hardy.

Double Early Flowering—

L'Argentellais. Deep-chestnut petals, tipped yellow. 2½ inches across.

Normandie. Dwarf early delicate pink, 2½ inches across.

Yellow Normandie. Same as above, except flowers coppery yellow.

Vesuve. Large, freeblooming, clear garnet-red.

Single Flowering—

Alice Howell. Rich orange-yellow, a most attractive single.

Lemon. A good clear lemon-yellow, 2 inches in diameter.

M. M. C. Taylor. Claret-red, large bloom.

Mrs. W. E. Bunkingham. Best single pink for cutting.

Quaker Lady. Bright chamoise shaded pink, small blooms in abundance.

Pompoms—

Bright Bessie. Coppery-red button.

Pride of Riga. Ruby-red, very tiny.

Pink Dandy. Dainty Pink.

Snowdrift. Snow white, late bloomer.

Perennial Prices, Except Where Noted, 25c Each, \$2 per 10

CHRYSANTHEMUM Pompoms (Continued).

Homestead. Light salmon mauve pink.

Golden Queen. Golden yellow.

Majenta Queen. Majenta crimson.

Mrs. Lillian Richards. Pink with petals tipped white, extra strong grower.

Amy Clark. Coppery-yellow, medium late, is very rugged.

Hardy Old-Fashion Yellow.

Hardy Old-Fashion White.

Hardy Old-Fashion Yellow Button.

DAPHNE Cneorum (Garland Flower). Handsome dwarf evergreen, shrub flowers pink in April and again in September, 1 foot tall—\$1.25 each.

DELPHINIUM (Hardy Larkspur).

Belladonna. Sky blue flowers on spikes 2½ to 4 feet tall, in May through July.

Bellamosum. Same as above except flowers dark blue.

Fermosum. Dark blue flowers, larger than above varieties.

Wrexham Hybrids. Colors ranging from light blues and pinks to dark blues and dark reds. This variety was originated by Mr. Watkin Samuel, of Wales, England, and are extra large stalks and blossoms, 4 to 6 feet tall. Some times called Hollyhock Delphiniums, because of immense size. Plants ready in fall. 75c each, \$6.00 per 10.

Glory of the Valley. Another large blooming variety originated by Mr. Pudor, of Oregon, sky blue 3½ to 5½ feet tall. Plants ready in fall. 50c each, \$4 per 10.

DIANTHUS DELTOIDES (Maiden Pinks). Small crimson flowers in June and July, scented.

DICENTRA (Bleeding Heart).

Fermosa. False bleeding heart, dwarf, fine cut foliage, flowers pink and purple center, May and June. 45c each, \$4 per 10.

Spectabilis. Rosy crimson heart-shaped flowers, April to June, 60c each, \$5.50 per 10.

DIGITALIS (Foxglove).

Glox. Hybrids. Purple and white bell-shaped flowers on long spikes, 3 to 5 feet tall, May and July.

GALLIARDIA (Blanket Flower).

Grandiflora Compacta. Large daisy-like flowers, 1½ to 2 feet tall, yellow with large brown ring around center, blooming from May until frost.

HEMEROCALLIS (Day Lily).

Flava. Lemon yellow lily-like flowers on stems 2½ feet tall in June, fragrant, good in semi-shade. Clumps should not be disturbed for three or four years for best results.

HOLLYHOCK (Hollyhock). No hardy garden is complete without some of these.

Single Mixed. In mixed colors, 20c each, \$1.50 per 10.

Double Mixed. In mixed colors, 20c each, \$1.50 per 10.

Double Red. Dark garnet red.

Double Yellow. Lemon yellow, resembling crepe paper flowers.

Double Pink. Clear rose pink.

IBERIS (Hardy Candytuft).

Gibraltarica. Pink flowers borne in May through July. Foliage evergreen, 6 in. tall, excellent edging plant.

Sempervirens. White flowers.

IRIS GERMANICA (German Iris).

Flavacens. Pale yellow.

Ossing. Bright yellow standards, falls yellow brown.

San Souce. Same as above, except darker colored.

Mme. Chearu. White edged with blue.

Pallida Delmarica. Standards silvery tinted purple, falls purple.

Mixed Colors. All colors mixed, 15c each, \$1.00 per 10.

IRIS SIBERICA (Siberian Iris).

Snow Queen. White.

Purple King. Dark purple.

IRIS KAEMPEERI (Japanese Iris).

Lemon Yellow. Clear yellow.

LAVANDULA Verna (Sweet Lavender). An old-fashion herb having silvery foliage 1½ feet tall, surmounted in July to September by flowering stems of small blue flowers with a pleasant aromatic odor.

LINUM PERENNE (Flax). Blue flowers borne on stems 1½ feet long in June through September.

CONVALLARIA Majalis (Lily of Valley). This shade-loving perennial needs no description.

LYCHNIS (Maltese Cross).

Chalcedonia. Heads of scarlet flowers, 3 ft. tall in fall.

Viscaria Splendens. Rosy-red double variety, excellent for cutting, 1 to 2 feet.

Fulva. Coppery-orange variety, blooms July.

Thunbergi. Much like Flava, blooming in May, 3 feet tall.

LUPINUS (Lupin).

Atr-Coeruleus. Blue pea-shaped flowers, borne on spikes 1 foot tall on stems 3 feet high; this is an improved variety.

Prices, Except as Noted Above, 25c Each, \$2 per 10.

GARDEN SUPPLY COMPANY

Polyphyllus Blue. In addition to blue, we can furnish white and pink hybrids of this variety.

MATRIACARIA (Feverfew) Single. A small daisy-like bloom, semi-double, borne in cluster all summer, 2 feet tall, excellent for cutting.

Capensis Alba-Plenissima Double. Same as above except double. A flower you should not be without.

MYOSITIS (Forget-Me-Not).

Palustris Semperflorens. Blue flowers, will do best in moist semi-shade.

Ruth Fisher. An improved of above, having larger flowers.

PEONEA (Peony).

White Varieties. Aquileia, Victoria, Duchess de Nemours, white with crimson shot; Festiva Maxima.

Pink. Mons. Jules Elie, Mons. Jules Calot, Edulis Superba, Baroness of Rothchild, Humel.

Dark Pink. Richardson's Rubra Superba.

Montan (Tree Peony). Pink or red, \$5.00 each.
Prices of Peonies, 75c Each, \$7.00 per 10.

PAPAVER Orientale (Poppy Oriental). Scarlet poppy, extra large blossom of a select single variety.

PHLOX Paniculata (Tall Hardy Phlox).

Athis. Deep salmon, extra fine.

Beacon. Brilliant cherry-red.

Bridesmaid. Pure white with crimson eyes.

Crepe-scul. White with delicate mauve suffusion and purple eye.

Eurepa. A new variety, white with crimson carmine eye.

Fraulein G. Van Lassberg. Tall fine free-blooming white.

Jules Sandreau. Large very fine free flowering pink.

LaVogue. Mauve with carmine eye.

Mrs. Lingard. The best white phlox in cultivation.

Rhineland. Salmon-pink, flowers immense size.

Prices of all Phlox 30 each, \$2.75 per 10

PHYSOSTEGIA Virginica (False Dragon's Head). Rose-pink flowers, somewhat resembling snap-dragon, 2½ to 3 feet, July and August.

POLEMONIUM Humile C. (Jacob's Ladder). Erect stems of sky-blue flowers, 1 to 1½ feet in June and July.

PRIMULA (Hardy Primrose).

Elatior. Dark brown eye with tips of petals yellow, 6 inches tall, flowers in shady and semi-shady places, April and May.

Veris. Canary yellow blooms of larger size than above.

PYRETHRUM Rosum Hybrids (Painted Daisy, Single). Pink and white daisy of the chrysanthemum family, 18 inches tall, April through June.

SALVIA (Hardy Sage).

Azurea. Blooms resembling Scarlet sage, only azurea blue color, 3 feet tall in August and September.

Patens. An immense flowering, dark blue variety.

SAPONARIA Oeymodies Splendens. Rose-pink flowers, somewhat like Sweet William, 1 foot, summer.

SCABIOSA (Pincushion Flower).

Japanica (Japanese). Lavender-blue flowers somewhat like Cosmos, 2 feet, July through September.

Caucasia (Blue Bonnet). 1½ to 2 feet, soft lavender flowers, June through September.

SEDUM (Stonecrop Liveforever).

Acre. Golden moss much used for ground cover in dry locations, flowers yellow, foliage fine, pea green, dwarf.

Album. White variety, much like above.

Maximum. Creeping dark green foliage, reverse side redish purple.

Scheldii. Silvery green foliage, round leaves, pink flowers, August and September.

Spectabilis (Showy Sedum). Erect silvery foliage 18 inches tall, blooms September, pink.

SEMPERVIVUM (Hen and Chickens).

Globuliferum (House Leek). Plants resemble thick miniature cabbage, a novelty for dry place.

Dianthus Barabathus (Sweet William). Our own hybrids in mixture.

TRADISCANTIA Virginica (Spider Lily, Spider Wort). This is an attractive grass-like foliage plant, producing in success all summer in terminal clusters, 1 to 1½ feet tall, small flowers. Two colors, pink or blue flowers.

TRITOMA PFITZERI (Red-Hot Poker, Torch Lady). Rich orange-scarlet to soft light orange and yellow shades of blooms borne in spikes 3 to 4 feet tall, August to September. Prices, 35c each, \$3.00 per 10.

TUNICA Saxifraga. Light pink flowers borne in very fine foliage, 6 inches tall all summer, good for edging in dry, sunny location.

VALERIANA Coccinea (Garden Heliotrope). Showy heads of rose-colored blooms, 2 feet tall, summer.

VERBENA Canadensis (Hardy Verbena). Lilac-colored flowers, borne all summer and fall in great profusion, extremely hardy.

Prices, except where noted, 25c Each, \$2.00 per 10

GARDEN SUPPLY COMPANY

VERONICA Long. sub. (Speedwell). Spikes of blue flowers 3 feet long. July through September.

Spicata. Dwarf variety of above, May through August, 18 inches tall.

VINCA MINOR (Periwinkle Myrtle). Trailing evergreen plant, very useful for ground cover in shade. Flowers blue in early spring. 15c each, \$1.00 per 10, \$8.00 per 100, \$55 per 1,000.

YUCCA Filamentosa (Adam's Needle, Spanish Bayonet). An evergreen foliage plant giving the appearance of century plants. Flowers in June and July, 6 feet tall, very showy for hard, dry places where nothing else will grow.

VINES

AMPELOPSIS Vetchi (Boston Ivy). A very popular climbing plant for covering walls of brick and stone, foliage green all spring to fall and turning bright crimson in fall. 25c each, \$2 per 10.

CELASTRUS Scandens (Bittersweet). A well-known climber bearing orange-red berries in fall. 50c each, \$4.50 per 10.

CLEMATIS Paniculata (Virgins Bower). A climbing vine for trellis. Panicles of fragrant white flowers in August and September, followed by feathery seed pods. 35c each, \$3.25 per 10.

English Ivy. 90c each, \$1.75 per 10, \$15.00 per 100 for small size.

WISTERIA. Purple, 75c each.

ORNAMENTAL GRASSES

PHALARIS Arundinacea Variegata (Variegated Ribbon Grass). 18 inches tall, very attractive for covering dry banks. 25c each, \$2.00 per 10.

Perennial Prices, except as noted, 25c Each, \$3 per 10

ROSES

EVERBLOOMING. \$1.00 each, \$9.00 per 10.

American Legion. Dark velvet red.

Columbia. Probably the best pink rose; it is mildew resistant.

Crusader. Large crimson-red.

Duchess of Wellington. Large saffron yellow-stained crimson, fragrant.

Etoile de France. Soft velvet crimson.

Gruss an Teplitz. Crimson-scarlet, sweet scented, a strong grower.

Kaiserin Augusta Victoria. Cream-white, fragrant.

Mme. Butterfly. Apricot-yellow, fragrant.

Meteor. Dark red.

Mrs. Calvin Coolidge. Clear buff yellow.

Ophelia. Apricot yellow.

Premier. Rich dark pink, fragrant, very rugged and hardy.

Radiance. Silver-pink, large blooms.

Red Radiance. Same as above, except deep red.

Sensation. Deep dark velvet red, long stems.
